

Hawai'i's Daughters Guild of California, Inc.

Mei (May) 2019 Newsletter

Serving it up in SD

After weeks of preparation, Hawai'i's Daughters Guild of California kicked off May with their annual food booth at the San Diego Ho'olaule'a. This year, they served up their plate lunch with shoyu chicken, kālua pig, haupia, lomi salmon, chicken long rice, poke, and poi. The ho'olaule'a provided an opportunity for members and hoaloaha of all ages to bond through preparing Hawaiian food, talking story, and watching the hula performances taking place on the nearby stage. The spirit of aloha flowed throughout the booth during the entire event. Whether it was washing dishes, cooking food, or serving patrons, everyone in attendance contributed to the success of the booth. Mahalo to all who helped make this event possible. Part of the proceeds will go towards our annual scholarship.

Upcoming Events

- 7.20.19- *Alondra Park Ho'olaule'a*
